Pixii warrants that every Product delivered to the Buyer is new (unless otherwise agreed), free of defects, and complies with specifications and workmanship, technical and other applicable standards for the transaction in question.

2 Conditions for This Warranty/Performance Guarantee

For any faulty Pixii products to be eligible for warranty the following must apply:

- The Product must have been installed and correctly commissioned and documented by a qualified installer. Claims for failures due to incorrect installation or commissioning are not covered under this Warranty.
- The Product must have its original serial number and rating labels intact and readable.
- This Warranty does not cover Products that have been modified or altered unless it has been done in full agreement with Pixii.
- The customer must be able to document annual system review protocols.
- Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
